

Integrated Services for Pharmaceuticals

WuXi AppTec has uniquely positioned itself as a premier provider of integrated services across the discovery to IND spectrum by building comprehensive capability and capacity. Through its broad investment in people with a deep understanding of drug discovery and development coupled with state-of-the-art facilities and equipment, WuXi AppTec has been working with leading pharmaceutical and biotechnology companies to bring novel therapeutics into the clinic.

These integrated end-to-end capabilities at WuXi AppTec allow our customers to realize more R&D potential in a cost effective and rapid manner.

WuXi AppTec is a global leader in providing discovery, testing and manufacturing services for the pharmaceutical, biotechnology and medical device industries. Research-driven, testing and customer-focused, with operations in China and the U.S., WuXi AppTec offers a broad and integrated portfolio of services designed to assist our customers with cost-effective and efficient outsourcing solutions.
